

Date: _____

Dear Doctor _____ ,

It's possible that you or your office might be contacted by the Postal Service asking for my medical information. I insist that you not provide any medical information about me to anyone, including the Postal Service, or any of its agents, without my express approval. This includes any request which might be made by Postal Inspectors or the Office of Inspector General. In the event that such a request is made, I ask that you notify me promptly.

Please respond to any request made by OWCP (Office of Workers Compensation Programs) regarding any of my on-the-job injuries or illnesses.

Please attach this letter to the cover of my medical records. Thank you for your cooperation.

Sincerely,
